Topic (what you signed up for) TV Shows - Germany's success worldwide

Presentation:

Speak in an enthusiastic way; make eye contact with your listener; do not read the handout to your partners.

Your script:

„Hallo!“ (offer your hand for a handshake)

„Ich heiße Ana (write your name here)“

„Heute spreche ich von diesem Foto“ (give your partner your picture).

“These are some important things to know about German TV Shows (your topic in English)”

THESE MUST BE SPECIFIC TO GERMANY/GERMAN CULTURE AND MUST INCLUDE STATISTICS SOMEWHERE.

Describe what you see in this picture that matters to your culture topic:

1. In the picture you can see that they're discussing a topic about TV-Shows.

Interpret the significance of the photo. What does it say about Germany or German-speaking people?

2. This is important because they're trying to solve a problem which is the lack of German TV-Shows outside of Germany.

What's an advantage of the situation in the photo?

3. An advantage is that they are concerned of the issue and are trying to find new ways of solving and expanding the culture.

What's a disadvantage of this situation?

4. I think that a disadvantage is definitely the fact that there are many issues concerning the lack of German TV-Shows worldwide that will need a lot of work.

What is similar about this situation to American culture?

5. Something similar is the fact that Americans are always looking for better ways of doing something and expanding their culture.

How is the German situation different than in America?

6. This is certainly different because America's popularity worldwide is one of the most recognized in terms of TV-Shows, unlike Germany.

How has this situation changed over time? (restate the question and use a complete sentence)

7. The situation has changed over time a lot. For example, nowadays, there are a lot of German shows that are recognized all over Europe and other parts of the world. All the countries who broadcast the German TV-Shows have to pay extra money which covers around 5 to 10% of production costs.

How might it develop in the future? (restate the question and use a complete sentence)

8. This could develop in the future by increasing the views in Germany and advertising it more in the worldwide media so the shows can become more popular  
What is your best open-ended question about this topic for your partner, that will give him or her the opportunity to show how clever, interesting, intelligent or engaged they are in your topic? Do not write a YES/NO question!

#9 What are some of the things that Germany could do to expand their TV-Show collection worldwide and how could it be possible ?

„Danke” (partner repeats „Danke” after you)

„Wiederschen” (offer your hand for a handshake)

### How to transition between presentations:

Hold up your index finger above your head until you find another classmate with their hand up. Move together and present again: ladies before gentlemen, and longest hair before shorter hair. Don't present to the same person more than once. Keep going until the time is over.
